WE CAN HELP

You can count on our team to:

- Analyze and determine solutions to meet each client's health and recovery needs.
- Develop cost-effective strategies that consider the individual needs of each client.
- Provide services where and when you need them.
- Implement best practice evidence concerning health, injury, and disability management strategies.

providing expert multi-faceted care to deliver improved outcomes for our clients

OCCUPATIONAL THERAPY SERVICES

a simple choice for complex care

CBI HEALTH GROUP

client-centered, multi-disciplinary care

WHO WE ARE

CBI Health Group has been providing occupational therapy and rehabilitation services for clients with complex injuries since 1994.

Our mission is to provide high quality rehabilitation services that minimize disability and promote participation in life activities at home, school, work, and within the community.

Our services are readily available throughout Ontario.

we are

an innovative and progressive team of professionals, experienced in the assessment of complex injuries. All of our Occupational Therapists are registered members of the College of Occupational Therapists of Ontario.

our approach

is client-centered and emphasizes evidence-based practice to ensure our recommendations are highly defensible and consistent with current research. We are dedicated to providing the highest quality of rehabilitation.
